Le Huy Hoang

+84 962009527 | huyhoangle8696@gmail.com

EDUCATION

UNIVERSITY OF ECONOMIC AND TECHNICAL INDUSTRIES HANOI
Bachelor degree of Control and Automation – August, 2018
Degree: Good
Certificate: AWS Certified Solutions Architect Associate SAAC03

PROJECTS

Facial Expression Recognition (AI and Software Engineer role)

- Trained AI model with more than 3 million parameters to recognize human's expressions
- Optimized and deployed model on Jenson Nano
- Ref : https://github.com/huyhoangle86/facial_expression_reg

Technologies and Languages

- AI, python, Onnx
- Git, Docker

Note: As I'm full time busy employee, I don't have time on self-projects or open-source contribution.
So I can't list any recent work examples. Sorry for that.
